

Market-Oriented Value Chains for Jobs and Growth in the ECOWAS Region (MOVE-ComCashew)

Côte d'Ivoire – Country Report

1. Promoting Competitiveness of the Cashew Value Chain.

The Market Oriented Value Chains for Jobs and Growth in the ECOWAS Region (MOVE-ComCashew) is commissioned by the German Federal Ministry for Economic Cooperation and Development (BMZ). MOVE-ComCashew is co-financed by the European Union (EU) under the Samoa agreement with the Organization of African, Caribbean, and Pacific States (OACPS) and by BMZ. MOVE-ComCashew operationalizes component 1 of EU's framework program for support to OACPS members' agriculture value chains development.

The impact of ComCashew since its inception in 2009, recorded 712,000 new jobs created in cashew production, processing, and trade, across project countries and over 790,000 farmers were trained on Good Agricultural Practices (GAP) and Farmer Business School (FBS) from 2009 to 2020 resulting in higher productivity, diversified and higher incomes in implementing countries.

In Côte d'Ivoire over 1,028,172 Metric tons of Raw Cashew Nuts were recorded in 2022. Côte d'Ivoire is serving as an example to West African countries and encourages other countries to also focus on the nut and apple transformation such as having by-products from cashew.
